

Earning A Varsity Letter (Different than past years)

A Varsity Letter is not a guarantee.

By earning points the letter is recommended and final approval is made based on the academic and athletic standings by ECHS regulations.

(since Goshen meet was cancelled, the Letter points are now moved to 18)

Varsity letters will be earned on a point system. 20 points are needed to earn a Varsity letter.

What you score in a meet that is the number of V points you receive.

You must compete in a Varsity event to earn V points.

That is an average of 2-3 points a meet, including invitational meets. (indoor meets are not included).

You must be academically eligible and participated in at least one meet to earn your letter.

Completion of the entire season is a must as well as all equipment turned in.

Our meets score:

3-way meets: 1st place = 5pts, 2nd - 3, 3rd -2, 4th - 1;

2-way meets 1st -5, 2nd - 3, 3rd - 1. Relay teams split points.

- Other Recommendations for a letter –
